Road Restriction Information

Numerical Order

March 18, 2004

**For road condition information due to adverse weather contact the
Indiana State Police at #800/261-7623 or #317/232-8298**

Road Type	Road No.	County	Description
S.R.	9	Madison	(NB) and (SB) lanes restricted to 10 feet in width from Old SR 109 to SR 32 for road reconstruction until June 15, 2004. Northbound traffic will be able to exit at 35th Street heading east.
U.S.	12	LaPorte	NB, SB, EB and WB shoulders at the intersection of US 12 and Karwick St. will be closed for signal maintenance through May 15 from 7 a.m. until 5:30 p.m. daily.
U.S.	12	Marshall	(EB) and (WB) US30 will be restricted from Oak Road to Plymouth/Goshen Trail for road and bridge rehabilitation. All traffic will be on the WB lanes. Width restricted to 14 feet. Detour utilizes US30E, US31, US30W to SR17. The US 30/SR17 southeast loop will also be closed through September 3.
U.S.	20	LaPorte	(EB) and (WB) lanes restricted at the U.S. 20 bridge over the Norfolk Southern Railroad between S.R. 2 and S.R. 39. The restriction will be for bridge replacement until April 1, 2004. Travel lanes are restricted to 10 feet wide maximum.
S.R.	26	Jay	Complete road closure between S.R. 1 and S.R. 67 for pipe repair between March 29 and April 1, 2004. Official detour utilizes S.R. 1 to S.R. 67. Local traffic will have access to the road up to the point of closure.
U.S.	30	Marshall	(EB) and (WB) will be restricted from Oak Road to Plymouth/Goshen Trail for road and bridge rehabilitation. All traffic will be on the WB lanes. Width restricted to 14 feet. Detour utilizes US30E, US31, US30W to SR17. The US 30/SR17 southeast loop will also be closed through September 3.
SR	32	Hamilton	(EB) and (WB) for an 11-mile stretch between U.S. 421 and U.S. 31 for pipe replacement beginning Monday, February 23. The closure is expected to last through Friday, February 27, but may be delayed in case of inclement weather. The official detour utilizes U.S. 31 to S.R. 38 to S.R. 47 to U.S. 421.
U.S.	40	Hendricks/Marion	Lanes restricted from S.R. 267 to I-465 for added travel lanes, signals and signs (0.05 mile west of S.R. 39) until November 1, 2004. Alternate route uses I-65 and S.R. 39. Lane width restricted to one 10 foot lane each direction.

U.S.	41	Vanderburgh/Henderson	(NB) and (SB) lanes will be restricted for concrete deep patching from March 18 through April 2, 2004, between US 60 in Kentucky and I-164 in Indiana. Only one lane will be restricted at a time in either direction.
S.R.	46	Decatur	Road Closed between Greensburg and Hartsville for reconstruction through late April 2004. Local traffic has access to the roadway up to the point of closure. Official detour: S.R. 3 to S.R. 7.
S.R.	62	Crawford	Road closed between JCT S.R. 37 South on S.R. 62 to JCT S.R. 37 North for slide repair. Road will be closed starting March 22 through April 3, 2004. Official detour is marked using I-64.
I	65	Clark	ONLY – COMMERCIAL VEHICLE DETOUR (NB) and (SB) from I-265 and I-264 (Kentucky side) approximately 12 miles to divert commercial traffic away from 10 foot lanes in the Revive 65 construction zone. (NB) detour I-264 West (Watterson Expressway) to I-64 West to I-265 East to I-65 Northbound. (SB) detour I-265 West to I-64 East to I-264 (Watterson Expressway) East to I-65 Southbound.
I	65	Clark	Between mile markers 0 and 10, reduced speed limits and variable night time lane closures possible for road construction with reduced speed limits. Two lanes will be open during day light hours.
S.R.	65	Vanderburgh	Restricted to 11' wide for three-tenths of a mile at a point 2.2 miles north of S.R. 66 until March 4, 2004.
S.R.	66	Vanderburgh	Center and left lanes closed between Kentucky Avenue and Heidelberg Avenue on January 26, 2004 through February 7, 2004. All lanes will be open between 6-9 a.m. and 3-6 p.m. on weekdays.
I	70	Hancock	(EB) and (WB) left lane closed between S.R. 109 and S.R. 9 until February 20, 2004.
I	70	Marion/Hendricks	(WB) lanes will be restricted between S.R. 267 and I-465 between March 20 and April 1, 2004. Two lanes will remain open with a total width of 26 feet including shoulders.
I	70	Hendricks/Marion	(EB) and (WB) lanes restricted to vehicles no taller than 14 feet high between S.R. 59 and I-465 from November 10, 2003 to April 1, 2004. The detour follows I-70 to S.R. 59N to U.S. 36E to I-465.
I	80/90	Lake	Through October 1, 2004, between mile markers 15.5 and 18.7: (WB) lanes will have an express center lane during the morning rush hour; (EB) lanes will have an express center lane during the afternoon rush hour. Pamphlets are available at manned toll booths.
I	80/94	Lake	Both exit loops from EB I-80/94 will to NB Grant St. and SR 53 (Broadway) will be closed through November 30. Follow detour signs.
I	80/94	Lake	Both exit loops from EB I-80/94 will to NB Grant St. and SR 53 (Broadway) will be closed through November 30. Follow detour signs.

I	90	Lake	(EB) and (WB) will be restricted for added travel lanes project between mile post 15.5 and milepost 18.5 until June 2005. Daytime lane restrictions are possible and delays should be expected.
I	90	Lake	(EB) and (WB) lanes restricted at mile post 15 for winter maintenance on bridge through March 14. Delays expected.
S.R.	135	Washington	Road closed until December 31, 2004, from Shorts Corner Road to S.R. 60. The marked detour is US 150 at Palmyra to S.R. 56 in Paoli back to S.R. 135 in Salem.
S.R.	162	Dubois	(EB) and (WB) lanes restricted between S.R. 64 and I-64 for a bridge replacement project over Southern Railroad through April 30, 2004. The bridge is located 0.04 mile south of S.R. 64.
S.R.	249	Porter	Midwest Steel Highway permanently closed.
	56 th Street	Marion	(EB) and (WB) 56th Street traffic restricted to one lane in each direction for bridge reconstruction project over I-465 between Brendon Way and Caito Drive until Spring 2004.
	Binford Blvd	Marion	CITY PROJECT. (NB) and (SB) Binford Boulevard restricted between 38th Street and 46th Street until November, 2004. Two lanes maintained in each direction in a crossover between 38th and Keystone; one lane in each direction between Keystone and 46th Street.
	Michigan Road	Marion	(NB) and (SB) will be restricted to 10 foot wide travel lanes to reconstruct two bridges between 42 nd Street and Cold Spring Road through November 5.
